- Saturday, November 26th Grass Cutting
- Sunday, November 27th @ 0630 / 1430 OTCH Fund raiser
- Saturday, December 3rd @ 6pm—SSCH Holiday Party at Katahira's

SSCH Community Event Day & Picnic

The first SSCH Community Event Day held on July 17th at Thomas Square was a small but successful event with approximately 25—30 participants. Mahalo to all of the volunteers and SSCH members who came out to enjoy a day of fun and activities with their shelties, fellow club members and companion sheltie owners.

The morning began with the yummy aroma of waffle dogs cooking in the air which inclined a couple of park joggers to stop by to check out the waffle dog booth. Sandy Yamamura's expertise in waffle dog cooking made the day and the Club sold a total of 100+ waffle dogs!

As the sun and the temperatures rose, Laura and Sherrie Sawamura provided the cool refreshment of shaved ice, a wonderfully nostalgic and refreshing treat on a warm summer day.

Not to be outdone, Sharon Katahira led the sheltie games and prizes featuring a "Simon Says" game with the owner / sheltie participants for fun and laughter with our shelties.

There was also an SSCH raffle chaired by Susan Kaneshiro with her

lovely assistant Susan Uehara and our own SSCH booth chaired by Debi Kamakana which sold both the Linda Churchill binders as well as the chlorinators and provided sheltie owners with breed information.

Mucho mahalos to Kenneth Young who chaired the Grounds committee including equipment and coordinated the reserved parking, Michiro Iwanaga and Sharon & George Katahira for bringing equipment to assist with the success of the event!

The day culminated with a pot luck picnic lunch that everyone enjoyed. It was a very pleasant day to spend with fellow club members, other sheltie owners and our shelties. We look forward to another Community Event Day & Picnic with more club members and sheltie owners participating with their shelties.

Aside from providing a venue for community breed education and the opportunity to meet and greet fellow sheltie owners, the monies collected from the various activities totaled nearly \$600 for the SSCH. Mahalo to everyone who assisted with the success of this event!

Hawaiian Herding Dog Association Show Results

The HHDA held its third herding group show at Thomas Square on Sunday, August 14, 2011. It was a cool and breezy day with judging services provided by Katie Gammill who judged the bitch competition at the ASSA National this year. Congratulations to the winners of record!

SSCH Nominations of Officers and Board Members for the 2012 Executive Board

Nominations for the SSCH Executive Board was completed at the October 16th General Membership meeting at Thomas Square.

Nominations were opened and closed at the October General Membership meeting. Floor nominations were completed and the final nominees include:

President: Susan Kaneshiro

Vice President: Michiro Iwanaga

Secretary: Darlene Sawamura

Treasurer: Sandra Yamamura

Board of Directors:

- Kenneth Young
- Harvey Yamashita

Ken's Korner

As you all know, this year will mark the end of my four-year term as the SSCH President. I will then serve another year on the Board as the past President. Although I am unsure what my personal plans with the Club will be a year from now, I am hopeful the SSCH will continue forward and will remain in good hands. We have a good foundation based on processes and procedures, as well as a core group of Club members that have consistently volunteered to keep the Club moving forward.

We are very fortunate to have this core group of members that volunteer to take the responsibility of shouldering the tasks to keep the Club active. Unfortunately, these members represent a minority of the membership. My concern is that this core group of members are eventually going to come to the end of their willingness to continue giving. Where will the Club be then?

In my four years as the President, I have continued to urge participation in chairing events and volunteering to assist with Club responsibilities and I have been disappointed that there has been little volunteering to show for it including the lack of volunteers to participate in the nomination for the 2012 Officers and Board.

We were able to obtain enough members to fill the slate for elections this year with some amount of peer pressure. If the survival of the Club depends on coercing members to serve, then we are truly on the path to dissolving the Club. What would it take to infuse the Club with energy and new ideas?

It has been my position that in order to remain an active Club, we need to introduce and engage new members to the Club to alleviate the responsibilities on the few members who consistently volunteer to chair events. Your responsibility as Club members are to encourage your puppy buyers to join the SSCH. It's high time that we diverge our objectives to include companion and performance members instead of focusing simply on conformation activities.

Our July SSCH Community Event Day was a success to bring sheltie owners together to learn about the breed, to enjoy time with their shelties and get to know a little more about the SSCH. Incidentally, the SSCH benefited financially with donations from these companion / performance sheltie owners.

Moving forward, we need to increase our membership and although you may not be an active member participating in the responsibilities of the SSCH, your participation as breeders to introduce the new owners of puppies that you breed and sell to the SSCH would be a step in the right direction for the Club as well as your puppy buyers and their sheltie puppies. There are decades of sheltie experience that can be shared with new sheltie owners by our Club members; it would be mutually beneficial to everyone, especially for that sheltie puppy going to a new home.

*Wishing you and yours (fur kids included)
a happy and healthy Thanksgiving
holiday!*

*We are thankful for all that you do for the
Shetland Sheepdog club of Hawaii!
Mahalo!*
